

The mission of Catholic Charities Community Services is to “provide help and create hope” for New Yorkers of all religions who are in need. The newcomer, the family in danger of becoming homeless, the hungry child, the emotionally challenged, and developing youth are among those for whom we have a particular concern. Our work is grounded in our belief in the dignity of each person as made in the image of God and in the building of a just and compassionate society – especially for the most vulnerable among us.

Your support makes these efforts possible – thank you.
